Remarks

Claims 22 would be allowable if rewritten to include all of the limitations of

the base claim and any intervening claims. In response, claim 17 has been

amended to include those limitations of claim 22.

Regarding all other claims, because these claims depend from allowable

base claims, all other claims are in proper condition for allowance.

No amendment made was related to the statutory requirements of

patentability unless expressly stated herein; and no amendment made was for

the purpose of narrowing the scope of any claim, unless Applicant has argued

herein that such amendment was made to distinguish over a particular reference

or combination of references. As the Applicant has overcome all substantive

rejections given by the Examiner the Applicant contends that this Amendment, with the above discussion, overcomes the Examiner's rejections to the pending

claims. Therefore, the Applicant respectfully requests allowance of the

application. If the Examiner is of the opinion that any issues regarding the status

of the claims remain after this response, the Examiner is invited to contact the

undersigned representative to expedite resolution of the matter. Finally, please

charge any fees (including extension of time fees) or credit overpayment to

Deposit Account No. 502117.

Respectfully Submitted,

Kenneth Haas
